**The funniest face
Looked out at me
From a silver ball
On my Christmas tree!**

**At first I thought
it was Santa's elf,
But I looked again and
It was myself.**

Music Notes: Deck the Halls

Anpetu waste, friends! This has been a season of preparation for our K-12 musicians, who will be having their first concert in two years this month!

K-12 Winter Concert on Thursday, December 9, at 6:00pm

Isanti Community Schools will be hosting our K-12 Winter Concert on Thursday, December 9, at 6:00pm in the Multipurpose Room. We will serve dinner at 5:00pm, and ask that student musicians be dressed up and ready to perform by 5:45pm so we can begin promptly at 6:00. The concert is required for all student musicians, because performance is part of our state and national music standards (National: MU:Pr4.1 and Pr6.1; NE: FAS 2/5/8/12.4.2.c-d); and because we know that you, our families and community, value the creative musical work we do at school. *Please observe our mask mandate when you are not actively eating dinner.*

Caroling

As of now, we are planning to do some Christmas caroling with the younger musicians during the last week of school - more information will be announced soon. Thank you for your patience!

NVC Choir Recap

Junior Rachelle Widow traveled to Verdigre High School early in November to sing with approximately two hundred other vocalists across the entire Niobrara Valley Conference. She studied four pieces of varying time periods, styles, and languages, and when given the opportunity, she practiced a *descant* (independent melody sung above the primary melody) with a small group. Rachelle represented our school with professionalism, studiousness, and willingness to step out of her comfort zone. The concert was excellent; Miss Knight was even moved to tears during the funeral piece called "Requiem." Of her experience at the NVC Choral Clinic, Rachelle states, "I had lots of fun there even though I was the only one. I made lots of new friends and I think it would be a unique opportunity for other students to join in." *Brava*, Rachelle, well done!

Rachelle practiced the *descant* with vocalists from other schools.

Calling all singers and band musicians: Warrior Choir and Pep Band

Any student who wishes to sing the National Anthem before home games this year is welcome to join the Warrior Choir! We meet approximately ten minutes before each game so we are ready to sing the National Anthem. All current (and former!) band students who wish to play pep tunes at halftime are welcome to join the Warrior Pep Band! As a token of appreciation, participating musicians can get a treat from Miss Knight if the concession stand is closed. See you there!

*Pidamayayapi,
Miss Knight*

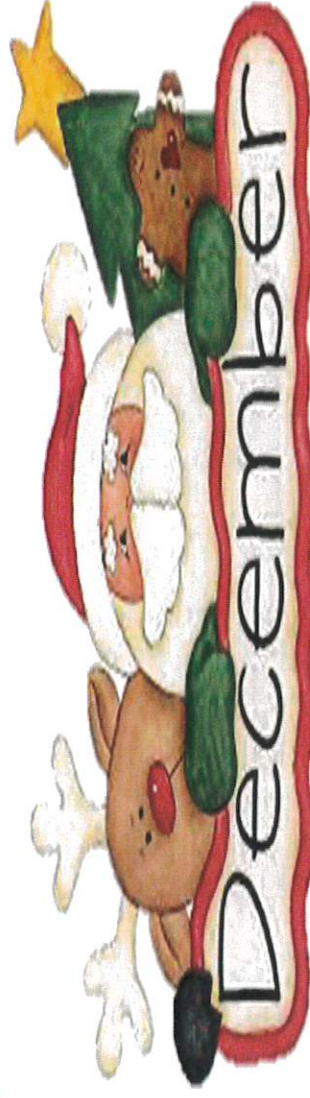

PARENTS AS TEACHERS

Don't forget to sign up for the Parents as Teachers Program if you haven't yet! You just have to have a child 0-3 years old and is preparing for Head Start ☺

Once in the program, we will have monthly home visits, your child will receive a book and we will do activities that work on your child's language, cognitive, social-emotional and motor skills.

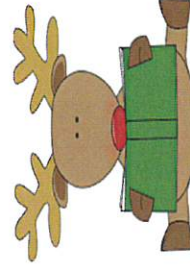

Please contact me at 402.857.2741 if you have any further questions or you may email me

rlaplante@santeeschools.org

If you have read just **one book** a day to your child, they will have been read **1825** books by their 5th birthday.

Every Day Counts.
Every Book Counts.

I apologize for having to cancel the parent activity night for November. With a great number of babies being ill, I thought it would just be a good idea to cancel the event for the month. Hopefully we can have an event in December..more information at a later date.

HAPPY HOLIDAYS

DECEMBER NEWSLETTER

Kindergarten continues to work hard and improve their skills everyday. We have concluded the last of our fall activities and are shifting into winter mode with the colder weather! As a reminder, please send proper outerwear to school with your students. The mornings are especially chilly!

Our Focus This Month

ELA: Writing CVC words and substituting medial sounds, using a graphic organizer

Reading: Identifying the main events in a fable

Math: Addition- Building fluency within 5, making 10, and identifying missing parts to the whole
